## Annual Report

### Introduction:

Trimurti International School was established in the year 2017 with the aim to impart quality education to the young minds in rural area. We strive to create high Quality Educational Environment which is innovative, Challenging and enterprising in an enjoyable and healthy atmosphere.

We at TIS strongly believe that schooling is an important stage of individuals life. It often spans up to 16 years. HENCE choosing the right school is an important decision.

### **One more Milestone:**

National Science Olympiad is yearly competitive exam conducted for school students. It is organized by Science Olympiad Foundation (SOF).

This Exam aims to cultivate Scientific Reasoning and Logical Ability among the students through a rigorous test.

### **Abacus:**

Abacus is also called counting frame. Abacus was used in Europe, China and Russia many centuries before the adoption of the Hindu, Arabic Numerical system. The exact origin of the Abacus is still unknown. Here at S.B.Patil, We try to give knowledge of everything whatever is available to urban students. We have tried to bring everything here at S.B. Patil.

We have conducted many competitions throughout the year to develop confidence among our students and few of them are

- English Recitation Competition
- Fancy Dress Competition
- G. K. Quiz
- Hindi Recitation
- Story Telling Competition
- Rakhi Making
- Greeting Card Making

- Tag Line Competition
- Rangoli Making Competition

My students also have their share of leisure time which we utilize properly by different kinds of celebrations at school such as,

- Grand parents day
- Holi celebration
- Krushna janmasthanami
